Notes

1. We have 8 race weekends as this year. We plan to add more "return" races, making two-race weekends of the Long Race, Wooden Spoon and Yarmouth Race
2. We propose being less prescriptive in terms of venue, leaving some choice for the organiser while seeking to eliminate duplication
3. It is our turn to organise the Wooden Spoon, for which we are targetting a RSYC location
4. Bastille Day is on a Saturday, so we plan to be in Cherbourg to allow a Sunday return for anyone wishing
5. We have two long cruises and a mid-week cruise as this year
6. We have scheduled 3 "Practice" (aka Experience) weekends
7. We should discuss our approach to new members and the RYA "Push the Boat Out" initiative
8. There are a number of open weekends which could be used for more sailing events
9. We should consider making an event joint with Ashdown, Sutton Mariners or both
10. We plan to hold an Event Organisers evening in e.g. February
